HAPPY NEW YEAR! FROM YOUR LIBRARY...

2021 was another challenging year, as we experienced many ups and downs here at the Library. Maybe you did as well! While we mourned the loss of a few of our loyal patrons, we were thrilled to see many familiar (and new) faces in the Library, especially during the Marlboro Elementary 2nd graders' annual visit.

We appreciate your ongoing support and steady use of Library services, including those that were re-imagined due to Covid restrictions. It has helped us to raise the bar in providing a concierge level of customer service. Whether you need a notary, passport, reading recommendation, curbside service, one-on-one tech help, Chromebook or Wi-Fi hotspot, or simply wish to connect with your neighbors through the Library's programs, our staff is here for you and is listening to your input! Providing these personalized services will continue to be our focus in 2022 and beyond. We take pride in helping you achieve your goals, or just brightening your day with a good book. So, stop in to say "hi" and tell us how we can serve you better. We look forward to your visit!

Thursday, March 10, 7:00 p.m.

Much of the natural beauty and economic vitality of Marlboro and the surrounding Hudson Valley are due to bees. Bees are insects that through pollination of plants, are major contributors to the ecological balance of earth.

During this lecture, local bee enthusiast, Richard Kurtz, will focus on some of the amazing wild bees and their habits that live in our community. In addition, there will be a basic introduction to honeybees and beekeeping. Richard will also address how homeowners can increase the presence of pollinators around their property and gardens. **Registration is required.** To register, visit marlborolibrary.org. This event will take place in-person, subject to change.

March Madness Book Tournament for Adults

We chose 64 titles from our collection that had the highest circulation numbers in 2021. You've read them, now it's time to vote on them! For 6 weeks, you will have the opportunity to vote for the books you think are most deserving of the title "March Madness Champion." The books that have the most votes will advance to the next round, until we have a winner!

Return your completed bracket by Sunday, February 27. Brackets can be picked up at the Library or downloaded at marlborolibrary.org starting January 24.

Voting will begin on Tuesday, March 1. Stop by the Library to cast your vote each week or vote online via our social media pages.

Stay up-to-date on each week's winners through the Library's social media or by checking our website every Monday to see which titles advanced through to the next round. The person who most correctly predicts the bracket outcome will win a prize!
