Common Garden Mistakes
Without the right information, many gardeners make errors in their gardening plans and efforts that can result in wasted labor and misspent money. Learn about common, but preventable, gardening mistakes during this program.

Composting
Composting is an invaluable element in growing the most beautiful flowers and the tastiest, most nutritious veggies. Yet many don’t know where to begin. A member of the Cornell Cooperative Extension of Orange County will discuss how to get started and the best materials to use in your compost.

Herb Gardening
Learn about the requirements for growing herbs, and the best ways to display them in your garden. Culinary uses, harvesting, and preservation will also be covered in this presentation.

Don’t forget our 24hr book drop to the right of the main entrance!
Check our online calendar for updates and corrections and sign up for our e-mail newsletter at marlborolibrary.org.

There’s more! Our calendar of events continues online at: marlborolibrary.org

GARDENING PROGRAM SERIES
The Friends of the Marlboro Library will be sponsoring a series of gardening programs with the Cornell Cooperative Extension of Orange County this spring! This series is perfect for beginners or those looking to refresh their current gardens.
Check marlborolibrary.org for the announcement of dates and times.
Registration is required for all programs.
